Social sectors*

GUYANA - *Awareness Campaign for the women in engineering and technology*
This assignment focused on assisting the beneficiaries (the Government of Guyana and the EU NAO) in the design and preparation of an awareness campaign promoting the gender equality and in particular the programme indicator for women in engineering and technology. To this end, this consultancy was globally expected to promote gender equality in the disaster risk management sector. EC Framework Contract 2013 Beneficiaries (Lot 9) – EU Delegation to Guyana.

GUATEMALA - *Mid-term evaluation of the PEJ Programme for the Youth Employment*
The main purpose of the project was to provide a comprehensive and independent evaluation of the “Employability Creation for young people and professional training in Guatemala Programme”, with a focus on the project outcomes compared to its objectives. The team undertook a mid-term review of the activities carried out in the first 45 months of the programme’s implementation, providing adequate information to the EUD and to the Beneficiary, Ministry of Economy of Guatemala, on the progress made in achieving the expected results and objectives and of the Programme. In addition, the team formulated observations and recommendations on the actions or adjustments to carry out during the remaining implementation period, in order to fully reach the expected results and objectives. EC FRAMEWORK CONTRACT 2013 Beneficiaries (Lot 9) – EU Delegation to Guatemala.

*Trade, Standards and
Private sector*

COSTA RICA - *Final evaluation of PROCALIDAD Programme*
Final evaluation of PROCALIDAD Programme, aimed at strengthening SMEs competitiveness by increasing quality and process improvement of conformity assessment, realised between 2011 and 2014 with a budget of 6M € (EU-EDF funding). The final objectives were to assess the project’s performance, providing observations on the impact of the activities implemented; to identify lessons learnt and provide recommendations on the monitoring and sustainability of the results achieved by the project; to evaluate the adequacy of the original project’s formulation against the changing environmental conditions, including the development of national policies and actions as well as the actions of concurrent cooperation activities.. EC Framework Contract 2013 2013 Beneficiaries (Lot 10) – EU Delegation to Nicaragua.

GUATEMALA - *Technical Assistance for ex-post evaluation of the FOGUAMI Programme*
Ex-post evaluation of FOGUAMI program, aimed at strengthening the position of Guatemala on the international market, realized between 2006 and 2011 with an overall 10 M € (EU-EDF fund) budget. Final objectives: i) evaluation of project outcome and achievements; ii) observations and recommendations on the impact and sustainability of project outcomes; iii) to identify learnt lessons for future EU initiatives in the field of development cooperation in Guatemala. EC Framework Contract 2013 Beneficiaries (Lot 10) – EU Delegation to Guatemala.

OCEANIA

*Culture, Education,
Employment and
Social sectors*

CARIBBEAN - *Technical assistance to the OECS (Organization of Eastern Caribbean States) Network of Excellence for training and education in the fields of tourism and hospitality (NETHTE)*

Technical assistance with the overall objective to harmonise and valorise the OECS tourism and the hospitality sector through a better management of the training and the human resources. In particular, the project concerned the preparation and the assistance to the achievement of a detailed plan to set up and to implement an OECS Excellence Network for the tourism, the training in the hospitality sector and education (NETHTE) and a OECS tourism/hospitality centre. The project concerned also the preparation of a detailed plan to institute and to implement the scholarship NETHE Foundation (NETHTEF). EC FRAMEWORK CONTRACT 2013 Beneficiaries (Lot 9) – EU Delegation to Barbados.
